

攝影講座

Continuing the popular of the seminar on June 15th, CUAAO will host a 1/2 day Photography Outing on Sept. 14th to practice the actual skills for taking better pictures. Come and ask the experts questions about your camera, how to take pictures in an actual field environment. Wu Tin Chee and Philip Chu will continue to share with you their experiences in photography and the special skills in using the digital cameras. Bring your camera and take pictures in the 12 Themed Floral Gardens and the walks. We'll show you how to improve your picture taking skills. Please sign up now to reserve a spot if you are interested. Family members are welcome to join.

Date: Sunday September 14th

Time: 2pm to around 6pm

Venue: Edwards Gardens & Toronto Botanical Garden,
at South west corner of Leslie Street and Lawrence Avenue East.
